

Get Involved with Bike Land and Give Back Locally! Win Prizes! Oh and Did We Mention PRIZES?

Attention Bike Riding Kiddos & Families, We are Looking for You!

You can make a difference and save lives, just by riding your bike! You will use your wheels to:

- Raise money for your Chandler school
- Raise money for the **Brett Saks Foundation Junior Cyclist Program** (so much fun!)
- Keep kids and adults safe on their bikes and eventually help save more than 600+ lives each year
- Win PRIZES (details coming on our website at gearupaz.org!)

Here's How to Help as a Troop or Group:

We Need Loaner and Donor Bikes for Bike Land!

Please spread the word to family friends that our partner **WE-CYCLE-USA**, a non-profit that takes bikes of any shape, size, kind or condition and revamps or recycles them for those who can not afford their own. (Find out more about **WE-CYCLE-USA** on their website at wecycleusa.org.)

WE-CYCLE-USA has been kind enough to offer to take the donated or loaner bikes and service them so that they can be used at the event for those who do not have a bike to bring. They will then make sure the donated bikes have a home after the event with a deserving member of our community. **Girl Scout Cadette Troop #1443** has been heading up this effort for **Brett Saks Foundation**. Please call Deb Smith at 714-299-6987 (cell) or email her at wordsmithgirl@mac.com if you have bikes you can donate or loan to the cause.

Please note: Bikes of any size or condition are needed. Bikes donated will be provided with as receipt from WE-CYCLE-USA upon request and will be stored and donated after the event. Loaner bikes will NOT be collected before the event, but can be brought to the event for use that day. Please contact Deb Smith for more information. Thank you!

Here's How to Help as an Individual or Family:

Create a Fundraising Page for Brett Saks Foundation Fit Kid Fun Ride in Bike Land!

We'd love to have families help us raise money for Chandler Schools and for the Brett Saks Foundation Junior Cyclist Program, which is currently being developed. Please follow these directions to successfully set up your page as an extension of the Brett Saks Foundation's main donation page (<http://www.razoo.com/story/Brett-Saks-Foundation>):

1. BSF's fundraising efforts are hosted through Razoo.com, fundraising software for both nonprofit organizations and individuals. Before setting up your personal page you must sign up. Click [HERE](#) or go to <http://www.razoo.com/> to begin by making an account. You can use your Facebook Account for a super quick setup.
2. After you've signed up for [Razoo.com](http://www.razoo.com/), continue to BSF's main donation page by clicking [HERE](#) or go to <http://www.razoo.com/story/Brett-Saks-Foundation>.
3. When you've successfully navigated to BSF's main donation page, SCROLL DOWN on the RIGHT sidebar until you see the text box "Fundraise for this Cause". Click on the green "Get Started" button.
4. After clicking the "Get Started" button, you will be directed to a page where you can give your personal fundraising page a name. Your campaign name can be as simple as this example: "Kim's Fundraising Page for BSF and Star Elementary". Or it can be as fancy, long or short as you like!
5. Once you've given your personal campaign page an awesome name, click the big green FUNDRAISING button. Now, you're ready to share it with the world and work toward a fabulous prize!

[Razoo.com](http://www.razoo.com/) software gives users the ability to upload photos, share on social media accounts, and send e-thank-you's to donors. Click [HERE](#) (or http://www.razoo.com/p/for_individuals) to read about options you have as an individual fundraiser. There is also an [app for your iphone](#) to track your donations. For questions or help about the above steps, you can contact Razoo directly at (866) 437-1952 (from 6 am to 5 pm Pacific), email support@razoo.com, or feel free to contact BSF at contact@gearupaz.org.

On behalf of the Brett Saks Foundation, we thank you in advance for your consideration and for helping us work toward a safer community for us all.
